Work Experience

Military Training Leader

United States Air Force – Keesler AFB

March 2016 – Present

Currently work as a Mentor, Trainer and Leader for the world's greatest Air Force's newest recruits. I enforce military standards of training. Mold new Airmen to reach their potential through Leadership training and recognition programs

Radar Maintenance Supervisor

United States Air Force - Keesler AFB

July 2013 – February 2016

I worked as an Engineering and Installation technician. Through intensive practice I became proficient in all thing fiber. This talent landed many jobs which resulted in 500 days spent on the road installing, troubleshooting and maintaining communication equipment. 421 of those days were overseas from Ramstein Germany to Camp Dahlke Afghanistan supporting Operation Resolute Support and Operation Enduring Freedom.

Radar Maintenance Technician

United States Air Force – Eglin AFB

March 2009 – June 2013

I worked on the AN/GPN TPS 75 Surveillance Radar. I became fully qualified on this radar during my time at Eglin AFB. My keen attention to detail garnered me the, “go-to Airman” for troubleshooting and soldering.

Pharmacy Technician

Springhill Hospital – Mobile, AL

January 2007 – February 2009

Coach

Jubilee Gymnastics Academy – Daphne, AL

2001 – December 2006
